DECLARATION UNDER 37 C.F.R. § 1.131

1. This declaration is to establish invention priority of the above-referenced U.S. Patent Application No. 10/786,576.
2. I, John Rickenbrode, am an associate at the law firm of Knobbe Martens Olson and Bear. I am also currently a registered patent attorney. I was responsible for preparing the above-referenced patent application for filing under the supervision of Tom Arno, a partner at the law firm.
3. From at least December 5, 2003 until the present, I was actively working as a full-time attorney with multiple pending and yet-to-be-filed patent applications, including an application directed to the subject invention.
4. To my knowledge, on November 17, 2003, Tom Arno met with William McCarty to discuss the preparation of the above- referenced application.
5. From at least December 5, 2003 until February 24, 2004, I actively worked in the normal course of managing my workload to prepare the above-referenced application. A copy of my billing entries for the above- referenced application is attached as Appendix A.
6. On February 11, 2004, I mailed a draft of the above- referenced application to the inventors. A copy of the transmittal letter is attached as Appendix B.
7. On or about February 20, 2004, I turned over filing of the application to Tom Arno.
8. On February 24, 2004, Tom Arno filed the above-referenced application during the normal course of managing his docket.
